Dear Parents and Carers

It is my pleasure to send you a copy of the Monitoring Inspection Visit Report carried out by Her Majesty's Inspector, Mr Clive Moss, on 24th May 2017.

Whilst I was delighted by the many positives, I must remind you that the Ofsted judgement for Water Leys Primary School remains at 'Requires Improvement' and there is still much to do. This judgement will stay with us now until our next inspection, which will be sometime within the next 12 months.

However, I am still delighted that the report recognises the sheer hard work and determination that our staff team, senior leadership team, governors and parents and carers have put into making Water Leys a truly special place to be! I am also thrilled that we are at last able to prove that we are beginning to live up to the standards set by our children!

Now you have your say!

You and your children live Water Leys on a daily basis. Please reflect on the report and your own experience and help us on our journey to becoming an Outstanding school by filling in the questionnaire we are sending home tonight and returning it by **Friday 23rd June**.

It is vital that we get the full spectrum of views and ask that you all respond, not just parents and carers who would like to praise us or otherwise.

Yours sincerely
